## TRANSPORT

### Marseille Services

**Marseille Services**, means and men for your storage operations.

The warehouses of Marseille Services are located at **less than one kilometre away from the docks**, and they have adapted means for your handling' s operations. :

Be it stuffing or stripping of containers, export consolidation, picking, transshipment operations, customs storage or stock management, we offer a custom-tailored service:

- ▽" /> A 3 000 sqm **customs warehouse**
- ▽" /> A 5 000 sqm **terminal**
- ▽" /> A 3,5 tons **overhead crane**
- ▽" /> **Trolleys** with 2 up 7 tones of lifting capacity
- ▽" /> **Non dock worker staff**

We also have a **spreader**, in order to unload 20 and 40 feet containers..

This vehicle allows us to save a **great amount of time** by freeing the trucks in 10 minutes instead of the 1h30 needed before.

Besides, this allows a **gain of a significant amount of storage surface**, and offers more storage space at your disposal.
