

Key Figures

BBL has progressively developed its activities to complete its core business.

As a matter of fact, the **external growth operations** of the last years have enabled us to « refine » our meshing of the domestic territory.

These buyouts gave to BBL the opportunity to have **new agencies**, in France and abroad, and allows the Group to offer **complementary services**.

This continuous development has thus been sensible through a regular increase in the revenue, with **more than 50 million Euros** revenue for the last years.

BBL has nowadays 200 employees, in France as well as in foreign countries.
