

Our Commitment

BBL Shipping offers you a **real time « follow up »** of your goods for the best service quality possible.

You can check the « port and customs status » of your freight, thanks to the **computer software AP+**, and thanks to **our agents who are physically present** at every step of your transport.

BBL Shipping's membership to the renowned associations listed below is a ?proof? of the seriousness and dedication of our group :

- **Fédération Internationale des Associations de Transitaires et Assimilés**
- **Transport Logistique de France**
- **Union Maritime Et Portuaire**
- **Société des Transitaires de Marseille**
